## Disc Golfing through Croatia

**March • April**

+ additional dates on  
request for groups of  
6 or more

### Day 1 - Saturday

At any time through the day, depending on where you are coming from, our team will greet you at Terme Sveti Martin. You will be staying at the luxurious Spa Golfer Hotel, surrounded by beautiful rolling hills, where you can immediately start playing disc golf. The hotel has indoor and outdoor swimming pools with thermal spring water, as well as a wide selection of wellness amenities (sauna world, massages, detox programmes, halotherapy...). Make sure to set aside an hour or two to relax and enjoy yourself, because the tempo will be a bit more active in the coming days.

In order to better introduce you to your fellow travellers for the coming 7 days, we've prepared an exciting teambuilding programme that will begin as soon as all the guests arrive. After you have plenty of fun and make some new friends, enjoy a group dinner at the hotel. After dinner, anyone who isn't too tired from their trip is welcome to join us at Potkova Pub and continue the party into the evening hours.

### Day 2 - Sunday

You will have the morning free to do whatever you feel like - whether relaxing at the pool, enjoying a massage, playing disc golf, or doing one of the other activities available (walking, cycling...). After you've spent the morning your way and perhaps enjoyed lunch at one of the recommended restaurants, it's time to get to know your surroundings. At 4:00PM, we will be leaving by bus for a tour of the northernmost part of Croatia - the hilly wine country of Međimurje. We will also be visiting an old mill on the river Mura, where you will have the opportunity to taste traditional Međimurska gibanica layer cake. Our tour will end at Terbotz restaurant, which also includes a charming wine cellar where we will (of course) taste several varieties of wine typical of the region. Terbotz restaurant is also well known for its gourmet delicacies, so you definitely won't go to bed hungry.

### Day 3 - Monday

On Monday, after a nice breakfast, we will be checking out of the hotel and heading to baroque Varaždin, an historic town in the neighbouring county. We'll take a stroll through the centre of town on an expert guided tour with our Hrvoje (Mr H.). We will also visit Varaždin's unique Insect Museum, which holds a collection of 4,500 exhibits and is considered by many experts one of the finest museums of its kind in Europe. After getting to know the beauty and history of this beautiful town, we will end our walk at Bedem restaurant, where lunch will be waiting. After lunch, it's time for some recreation - we'll head to a nearby disc golf course and spend the afternoon there. After playing, we'll head to our next destination - Trakošćan, where we'll check into our hotel and spend some more time together at a buffet dinner.

### Day 4 - Tuesday

The village of Trakošćan is famous for its splendid 13th century castle - located atop a hill above a lake, its striking appearance makes it one of the most beautiful castles in Croatia. If you would prefer to marvel at the castle from a distance, you can spend the morning relaxing at the hotel wellness zone with a view of the castle. At noon, we will check out of the hotel and head to the town of Krapina, where we will visit the Krapina Neanderthal Museum. Built in 2010, the museum is one of the most modern in the region. After we leave the museum and the town of Krapina, full of knowledge about the creation of the world and the first humans, it will be time for lunch at a restaurant located in Baroque Mihanović castle. After a lordly lunch, we will continue on to the town of Slunj, where we will be checking into the Mirjana Rastoke Hotel in the early evening. If desired, we will organise a quick tour of the picturesque village of Rastoke, famous for its numerous lakes, waterfalls, and rapids. Dinner will be waiting for us in the hotel.

### Day 5 - Wednesday

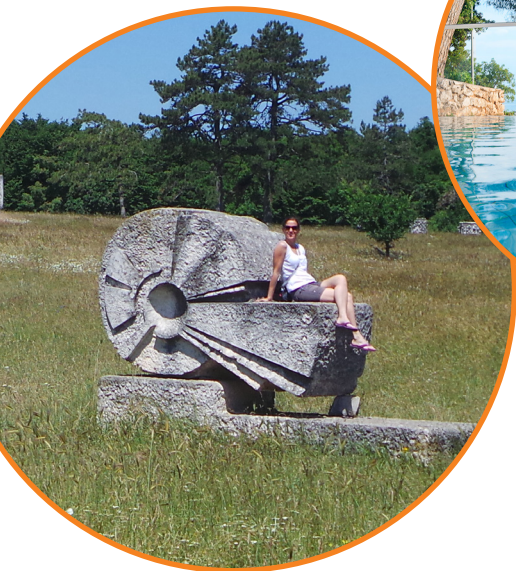

We will be starting the day a bit earlier on Wednesday (8:00AM), as we will have a very active day ahead of us with much to do and see. First, we will stop at the oldest and most famous national park in Croatia - Plitvice Lakes. The park has been stunning visitors for ages, and so it's no wonder that it has been entered into UNESCO's World Heritage List. After 3-4 hours of strolling along bridges and paths surrounded by beautiful waterfalls and numerous lakes, we'll need to recharge, and shortly after getting back on the road we will stop in the village of Korenica for lunch. Ready for new challenges, we will arrive in Rudopolje at one of four public disc golf courses in Croatia. Also, if you want to feel a bit more adrenaline in your bloodstream, you can take a ride on the longest zip line in Europe (1,700m) in this very same village. In the afternoon hours, we will be heading on to our final destination - Rabac. After a few hours' drive, we will reach the Istrian peninsula and check into the seafront Sanfior Hotel, where dinner will be waiting.

### Day 6 - Thursday

Waking up by the sea and breathing in the fresh sea air right from the window of your room is certainly a special experience, and so we'll be leaving this morning free so you can spend the morning in bed to rest, take a seaside stroll, or do anything you please. After lunch, we will visit the nearby Sculpture Park with 94 sculptures by famous Croatian and international artists. We will also set up a disc golf course here, so you will have the opportunity to play in special, artsy surroundings. In the evening, we will go sightseeing in the town of Labin and visit a local winery, where we will enjoy wine tasting and a delectable Istrian dinner.

### Day 7 - Friday

To start off our last day together, we will play some more disc golf at the Sculpture Park. After playing, we will head back to the hotel to freshen up and have lunch, and then we'll head off on an afternoon excursion through the interior of Istria. We will visit the picturesque town of Motovun and the millennial town of Poreč, where we will see another of Croatia's UNESCO protected sites - the Euphrasian Basilica. This early Christian complex is the only fully intact monument from this period in the world. After some cultural edification and a tour through Poreč, it will be time for our last dinner together (at least this time around). After dinner we are free to head back to the hotel, however those who still have some energy left after 7 days of activities are invited to a get together at the pub.

### Day 8 - Saturday

10:00AM - Our seven-day programme will finally come to an end. After breakfast, depending on the flight times of the majority of passengers, we will head to the airport in Zagreb. We're certain that, in addition to your suitcases and some souvenirs you might have picked up, you will also be taking home plenty of beautiful memories of the beauty of our country, as well as of the new group of friends you had a great time with throughout your week of disc golfing through Croatia. Cheers!

The Disc Golfing through Croatia programme is brought to you by Lagoda Disc Golf team and DMK Vall 042 travel agency.

### Programme is in 2019 scheduled for:

**March or April, exact date TBA by January 15, 2019**

Programme will happen if there are at least 6 registered participants for certain dates. Package for groups of less than 12 will be modified in some ways, but in agreement with registered participants.

In addition to the offered dates, programme can be, on request, organized in additional dates for groups of 6 or more participants.

The price of this package is **6.300 Croatian Kuna HRK** (what is approximately **850 € or 980 US\$**). The price was formed for the March/April package and for other dates it might be a bit higher depending on the current hotel accommodation prices.

In case that people joining this tour would want it, a one-day PDGA Tier C event could be included in this programme on any of the dates.
